4 A government wants to improve transport in cities.

The following actions are being considered:

- Research successful transport improvement projects used in other countries.
- Provide money to cities to promote cycling and walking.
- Charge more money to drive and park in cities.

Which one of these actions would you recommend to the government, and why?

In your answer, you should:

- state your recommendation
- give reasons and evidence to support your choice
- use the material in the sources and/or any of your own ideas
 consider different arguments and perspectives.
