## **DIVINITY**

## **Cambridge International Advanced Level**

Grade thresholds taken for Syllabus 9011 (Divinity) in the October/November 2013 examination.

	maximum	minimum mark required for grade:				
	mark available	Α	В	E		
Component 1	100	75	66	42		
Component 2	100	78	69	46		
Component 3	100	72	64	44		

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

The thresholds for the **syllabus** are determined first by adding together the thresholds for the components taken by the candidate. A reduction may be made at the higher grades depending on the correlation of the papers. If the maximum raw marks for the components are not in the weighting/relationship specified in the syllabus, a weighting is applied to arrive at the overall thresholds. The A\* threshold is calculated using the difference between A and B as a starting point.

The maximum total mark for this syllabus is 200.

For this syllabus in this series the grade thresholds were as follows:

Option	Combination of components	<b>A</b> *	Α	В	С	D	E
А	01, 02	171	153	135	119	103	88
В	01, 03	164	147	130	115	100	86
С	02, 03	167	150	133	118	104	90

Grade Thresholds are published for all Cambridge International AS/A Level and Cambridge IGCSE subjects where a corresponding mark scheme is available.
