APPLIED INFORMATION AND COMMUNICATION TECHNOLOGY

GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9713 (Applied Information and Communication Technology) in the May/June 2010 examination.

	maximum mark available	minimum mark required for grade:		
		A	B	E
Component 11	80	45	41	24
Component 12	80	45	41	24
Component 13	80	45	41	24
Component 2	120	86	74	51
Component 31	80	46	42	27
Component 32	80	46	42	27
Component 33	80	46	42	27
Component 4	90	75	68	37

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade A* does not exist at the level of an individual component.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
